

RECCOMENDATION LETTER

Denis Trebula worked in our company Davinci software s.r.o. since 20/07/2017 till 19/07/2017 on position Junior application specialist.

Denis is very flexible person, willing to learn and with drive to develop himself. He used to work in the team of three people, feedback from senior colleagues was always very positive – responsible , reliable and fast learning person. Always good communication and cooperation with him – Denis is a good team player.
